Letter From The Legion President

I would like to say thank you to all who helped do the Adopt-A-Highway. I'm proud to report that we collected 16 bags along Unity Road. This type of community service is appreciated by the community.

The horseshoe pits have gotten repairs done to them and are ready to use. We are having a tournament, every Thursdays night at 6pm sharp. We are doing his & her partners. Lari Bell is the coordinator. Please come join the fun!!

The construction on the building is still being up-held. When new information is available we will get it to the members.

Last but not least, the Legion breakfasts are still going strong. They are every 3rd Sunday of the month, with a Legion meeting following at 10:30.

Yours in Parting...

Legion President ~

R. Craig Williams
